Benand Marjon are farming on the old homestead which was built in 1796 in Alphen a/d Rijn.  
Although the farm is 24 Hectares ( 60 acres) it produces about 426.000 Kg milk with 4.45% fat content.  
No small feat for this operation. They also have 300 pigs who take care of the wey which is a by-product of the cheesemaking process. The famous "farmer" GOUDA cheeses of 45 to 50 pound are made there.
